Mrs. Jan Martin, Secretary
Board of Trustees
Rivermont Ranch
House Springs, MO

Dear Mrs. Martin;

I would appreciate it, if you would inform the members of the Board of Trustees at the meeting to be held September 23, that at this time the Owners of Rivermont Ranch are not prepared to enter into re-writing new restrictions for Rivermont Ranch.

We feel that we must seek legal advisement on the subject of the restrictions to best meet our financial interest, as well as the other property owners.

We appreciate your interest in wanting to re-write new restrictions, however, at this time, and the owners are not sure when this time should be, it is not beneficial or wise for us to establish any new restrictions for Rivermont Ranch.

Sincerely yours,

Eugene B. Pieper
